

Notice to investors regarding UBS Open End Turbos on DAX and UBS Mini-Futures on DAX on the Swissquote platform Swiss DOTS:

(together the "**Securities**")

During a temporary stop of trading in the mentioned Securities, an examination done by UBS has shown that the calculation of the respective strikes of the Securities were incorrect between the 2nd February 2017 and 3rd February 2017.

This can have created advantages or disadvantages for investors.

Investors that might have been affected negatively by this incorrect calculation of strikes are kindly requested to get in contact with UBS until the 31st March 2017 either directly or via the financial intermediary, mentioning the transaction data for the below listed Securities.

Contact details:

UBS AG, Public Distribution Switzerland, PEZH NORD1 EUR1-184 P.O. Box, 8098 Zurich
Subject: DAX-Securities
